What type of volunteer work are you interested in doing? And if you are doing this for school community service how many hours do you need?

We do not have a shelter neither have a facility. All our pets live in family homes during the week and we gather them every Saturday at a local Petco for an Adoption Event. At the event volunteers walk the dogs and chat with all the visitors that come to see the dogs. The primary focus is on the safety of the dogs & visitors. Please dress in layers because the breeze can make it cool as the day progresses. We don't have a uniform yet or printed shirts; however, we appreciate if you can wear a black top; with animal printing or similar will be great! Once we are able to provide you with our logo t-shirt, please wear it at ALL events. SOME RULES: We are very flexible but we do need to know ahead of time, if you are not able to come to an event. We do our events rain or shine/hot or cold. The majority of the time we are outside; but if needed, we are allowed inside the stores so no one will have to be outside but the dogs will need walks...please clean up after them as soon as they start doing their business so they will not step on it.....however if we are busy walk then on our down time.....so people will have the opportunity to see them.....short walks only...so they get the option to be seen by potential adopters.....you will be provided with bags to clean up after our rescued pets.....PLEASE do so. Also, please only allow minors with their parents inside the play pens if they are interested in adopting. Do not allow anyone to hold the puppies outside the pens neither the cats. If you see an aggression, or vomiting or diarrhea or any illness issues regarding the dogs & cats – please notify us ASAP. Please arrive half hour earlier to set up the play pens as well as to greet and help out when the rescued pets are arriving to be transported to the play pens. All potential adoptions are to be directed to an AAOFUS Head Volunteer. You also release, hold harmless and forever discharge Animal Advocates of the US & Angels for Dogs & Cats Rescue or any of the Directors from any and all claims arising from volunteering at our events. All information with respect to the animal's health and behavior that is known has been represented and disclosed by AAOFUS, AFDCR, Directors or any affiliates in good faith. This agreement is binding on the volunteer and all members of the volunteer's household. All of the above information I have been given is true and complete. I agree to follow the Rules and Procedures of AAOFUS & AFDCR. I will not hold AAOFUS & AFDCR responsible for any damage, injury, or harm caused directly or indirectly to any person or property by any dog at the time of volunteering.
